PROLOGUE

A month and a half have passed since the incident ...

September has come to Raccoon City, a small industrial city in the American Midwest. People are starting to forget the chaos at the mansion as their everyday lives return to normal.

The bizarre incident that occurred in the Arclay Mountains, the destruction of the special taskforce S.T.A.R.S., Umbrella corporation's secret biological weapons laboratory hidden in an old mansion, the power of T-Virus that turns humans and animals into horrible monsters ... how could it all have happened here?

People could not believe the survivors' reports. Stories of their incredible experiences and of strange biological weapons and zombies were beyond the townfolks' imagination. The surviving S.T.A.R.S. team members headed to Europe even before the town heard the full details of what had happened.

They hoped it was all over. But then it happened again. Suddenly, a series of inexplicable murders occurred and a strange disease began invading neighborhoods.

T-Virus was flowing into the city ...

The invisible plague struck silently and turned the unsuspecting citizens into monsters.

People cursed their foolishness. But the nightmare had already begun ...

The future was out of their control.

Raccoon City was on the brink of collapse ...

JILL VALENTINE

Age/23 Blood type/B

Height/5ft 4in Weight/108lb

Jill is a member of S.I.A.R.S., a special taskforce in the Raccoon City Police Department. She is a specialist in disarming explosive traps. With her experience training in the U.S. Delta Force, she is one of the survivors of the original incident that occurred in the Arclay Mountains. Cheerful and independent, Jill has a strong sense of right and wrong. Though she has a healthy emotional side, she is also a strong-willed woman with excellent judgment.

S.I.A.R.S.

Special Tactics and Rescue Service

S.I.A.R.S. was founded under the jurisdiction of the Raccoon City Police Department to deal with increasing terrorism and crime.

CARLOS OLIVEIRA

Age/21 Blood type/O

Height/5ft 9in Weight/183lb

Though Carlos hails from South America, his exact origins are unknown except that he carries Indian blood. He is a U.B.C.S. soldier, in charge of heavy firearms, security and mission back-up. He is also responsible for weapons maintenance. At first sight he may appear inexperienced and immature. He is actually warm-hearted, with a strong sense of right and wrong.

U.B.C.S.

Umbrella Biohazard Countermeasure Service

Formed separately from Umbrella's special taskforce, U.B.C.S. is a rescue force comprised mainly of war criminals and exiled soldiers. Though the team has a high mortality rate, it has been very successful in crucial rescue missions.

TROUBLE DEFEATING ENEMIES?

Learn to use your weapons efficiently. Each weapon is best suited to destroying a different type of monster or zombie. Figure out which weapon you need, then put it to use. (Be sure to equip weapons **BEFORE** a fight!) **HINT:** When a zombie dies completely, blood will spread on the floor:

- Look for **Attack Objects**, such as drums, to help defeat your enemies.
- Use **Dodge** and **Quick Turn** to take less damage.
- Nothing works? Then run!

CAN'T HEAL YOUR CHARACTER?

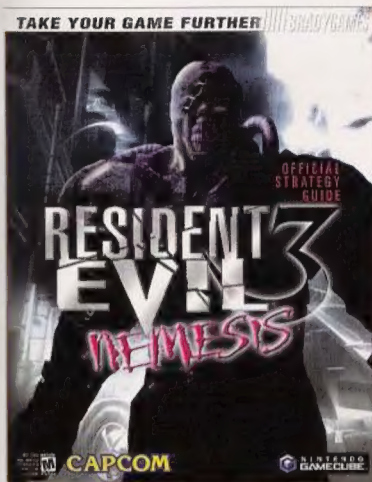

- Search the background for **Herbs** and **First Aid Spray**. Don't give up. You can't win if your character is too weak to fight.

CAN'T SOLVE PUZZLES?

- When you come to a new scene, search for files and memos that may contain clues. For more hints, call the **CAPCOM HINT LINE** at 1-900-976-3343.
